Welcome by Mazie Fitzgerald

Minutes from March Meeting were approved by:

- First motion - Kelly Mogilefsky
- Second motion - Kerri Gamez

Special Guests (Theresa Branaugh and LaQuietta Hill)

- **Theresa Branaugh - Parent University** - designed for parents of K-12 students.
- Saturday, October 15 - will be able to register during Walk-thru Registration.
- Guest Speaker Nancy Rose, author of "Raise the Child You've Got, Not the One You Want".
- Previous topics have ranged from discipline, self-esteem, homework, college financial-aid, cyber safety and nutrition.
- 45 minute class sessions.
- If you have any ideas/suggestions for topics of discussion you can email Theresa @ tbranaugh@cv.k12.ca.us
- **LaQuietta Hill - Next Generation Science Standards**
- Aims to improve U.S. students' performance in STEM (Science-Technology-Engineering-Math) subjects - students will be focused more on asking questions, developing hypotheses, testing models and making arguments. The NGSS's authors hope the guidelines will help kids prepare better for college and the working world.
- Why new standards - because we are lacking in achievement as a country
- New Science standards that are similar to those of Common Core, in that states come together to create them.
- They are internationally benchmarked standards.
- The NGSS's authors hope the guidelines will produce

Principal's Report

- Wanted to thank the Parent's Club for the new playground equipment. Not everything was installed as of yet, but is expected to be completed w/i the next couple of weeks. There is still more equipment to come - striping/goal for the soccer field, life size

checkerboard on blacktop. There is also a work order in to reinstall the bars that were removed for the climbing spider web.
